

TWO
REQUIREMENTS.
**ONE
SOLUTION.**

Dover™ Coudé Closed
System Tray

Your patient might have special needs — like a coudé catheter. But your facility's committee on catheter-associated urinary tract infections (CAUTI) may require a closed system tray.

That's where our Dover™ coudé closed system tray comes in.

One solution. To meet your needs — and your patient's.

ORDERING INFORMATION

Dover™ Coudé Closed System Tray
