VITATRON

The following lists Medtronic Vitatron implantable cardiac devices supported by programmer import on the Paceart System – 2006 First Edition released October, 2006. NOTE: Information transfer is dependent upon programmer export and Paceart System supported fields. Earlier releases of the Paceart System may not support all the devices listed. Not all products may be available outside the United States. Contact your Medtronic/Vitatron representative for additional information.

If a device is not supported, please contact Medtronic/Vitatron to ask that it be included in future Paceart releases.

New Implantable Cardiac Devices Included in the Paceart System – 2006 First Edition Release

No new devices were reported to Paceart by Medtronic Vitatron at the time of release.
