</table>

**1:30 p.m. – 1:45 p.m.**

**Multi-Disciplinary Clinical Collaboration: The Missing Link**
Sandeep Khandhar, MD, Inova Fairfax Hospital

**1:45 p.m. – 3:15 p.m.**

**Interactive Multidisciplinary Review Board: Complex Case Discussions**
SATURDAY, FEBRUARY 23

8:00 a.m. – 8:45 a.m.  Keynote: Clinical and Economic Value in Lung Cancer Care

9:00 a.m. – 12:45 p.m.  Specialty Tracks: Best Practices for Successful Implementation of Innovative Technologies, Programs and Services  
(Participants choose 2 of 3 tracks)

**DIAGNOSIS TRACK**

Moderator: Kyle Hogarth, MD, University of Chicago
- Maximizing Procedure Success in the Periphery  
  Bobby Mahajan, MD, FCCP, DAABIP, Inova Heart and Vascular Institute
- Optimal Specimen Acquisition and Preparation for Molecular Testing  
  Rabih Bechara, MD, FCCP, Cancer Treatment Centers of America
- Diagnosis, Staging, Localization: When can you combine procedures to benefit patients?  
  Mark Bowling, MD, FCCP, East Carolina University School of Medicine and Vidant Health System

**THERAPY TRACK**

Moderator: Paula Ugalde, MD, Laval University
- Championing Robotics in Your Institution
- Championing VATS in Your Institution  
  Thomas D’Amico, MD, Duke University Medical Center
- Championing Uniportal in Your Institution  
  Diego Gonzalez-Rivas, MD, FETCS, Coruña University Hospital
- New Technologies and Techniques in Molecular Antibodies  
  Sunil Singhal, MD, University of Pennsylvania School of Medicine
- Intra-Operative Diagnosis and Staging: How to Get it Right  
  John Mitchell, MD, University of Colorado School of Medicine
- New EU Guidelines for Implementing a Thoracic ERAS Program  
  René Petersen, MD, PhD, Copenhagen University Hospital / Rigshospitalet
- Panel Q&A

**OPTIMIZING CARE CONTINUUM TRACK**

Moderator: Brendon Stiles, MD, New York-Presbyterian Hospital
Growing a Lung Program: A Best Practice Approach from Multi-Disciplinary Centers of Excellence
Panel Participants
- William Mayfield, MD, FACS
- Greg LeMense, MD
- Andrea McKee, MD
- Tasha Lund, RT, Gundersen Health
- Vickie Beckler, MBA, RN, Medtronic, former Nurse Navigator
- Tyler Bowen, Blount Memorial  
  Medical Oncologist
- Radiologist
- Pathologist

1:30 p.m. – 2:45 p.m.  Interactive Multidisciplinary Review Board: Complex Case Discussions

3:30 p.m. – 4:30 p.m.  Optional: Nurse Navigator and PatientAdvocacy Workshop  
Tasha Lund, RT, Gundersen Health; Andrea Borondy-Kitts, MS, MPH, Lahey Hospital and Medical Center
