THE SPINE ACADEMY LEARNING SERIESSM

It is no longer necessary to travel to a classroom in order to stay abreast of changes in the industry! Now it is possible to go online and learn about the latest developments in the business of spine coding, coverage, and reimbursement because Medtronic provides live interactive programs free of charge throughout the year.

Through the Spine Academy Learning SeriesSM, you can:

- Review spinal anatomy
- Learn about recent coding and reimbursement changes
- Learn about ICD-10-CM/PCS coding for spinal cases
- Sharpen your coding knowledge by reviewing actual operative reports
- View various spinal devices and how they are used
- Discuss common coding, coverage, and reimbursement challenges in spine practices
- Ask questions and receive answers in real time

What do I need to participate?

- An e-mail address
- A computer with Internet access for viewing
- A separate telephone line for listening (select courses also have streaming available through your computer speakers)

How do I register?

To view the list of available courses and register, go to:

www.medtronic.com/SpineAcademy

- Course materials are available to download from the registration page.
- You will receive an email confirming your registration.

Continuing Education Units (CEUs)

- Courses marked "CEU" have received prior approval from the American Academy of Professional Coders™ (AAPC) for CEU credit.
- **Registration is required by each participant** to receive CEU credit.
- Each participant is required to be logged in with their unique attendee ID and remain logged on throughout the entire presentation to receive CEU credit.
- CEU certificates are e-mailed within 5 business days following the presentation.
- The American Health Information Management Association® (AHIMA) also accepts the Spine Academy courses for CEU credit.
- Not all courses are approved for CEU credit.

The programs are sponsored by Medtronic. There is no charge for participation.
