Medtronic-sponsored Technical Hub:

Meet the renal denervation expert – An interactive discussion

Friday, May 29 | 14:45-15:05 CET

Located on the Exhibit Floor

Join us for a group session with Professor Atul Pathak:

- Learn about the latest hypertension guidelines and how to incorporate renal denervation into daily practice.
- Hear from the expert on patient selection for radiofrequency renal denervation.
- Get in-depth insights into creating a renal denervation program.
- Bring your questions for discussion with a global KOL expert.
