

Medtronic

Engineering the extraordinary

Your trusted partner, always

Medtronic Service & Repair EMEA

Quality. It's what we deliver.

**Because what's important to you
is just as important to us.**

Quality

Quality is our top priority. We follow the high standards set forth by our Quality Management Systems. We wouldn't settle for anything less. Neither should you.

Value

Staying true to our Mission, we have a duty when it comes to the **safety, performance, and reliability of our products.**

Dedication

Our promise to you goes beyond servicing. It's about paying attention to the details, and putting it all together. Hands-on expertise that you can rely on.

People

Our team of Certified Service Heroes are by your side throughout your entire Medtronic equipment journey – **from beginning to end.**

Service. It's in our DNA.

An unending story of purpose.

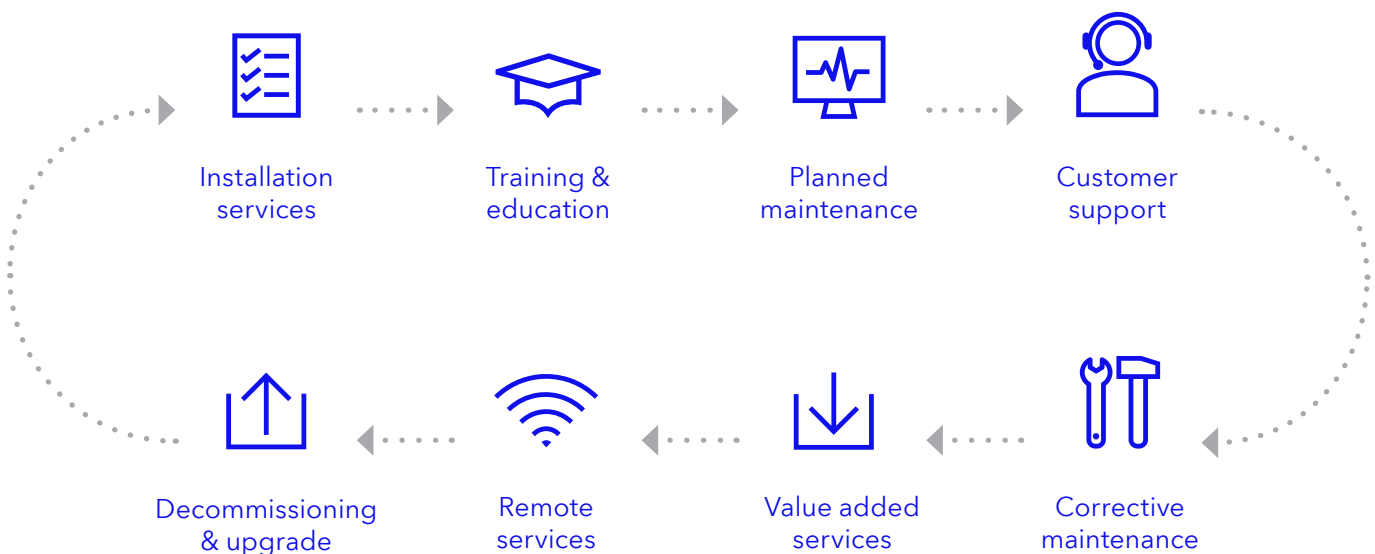

Today, we are the world's largest medical technology company, but we come from humble beginnings. Medtronic was founded in 1949 as a medical equipment repair shop by Earl Bakken and his brother-in-law, Palmer Hermundslie.

Trusted for standards. Partner in safety.

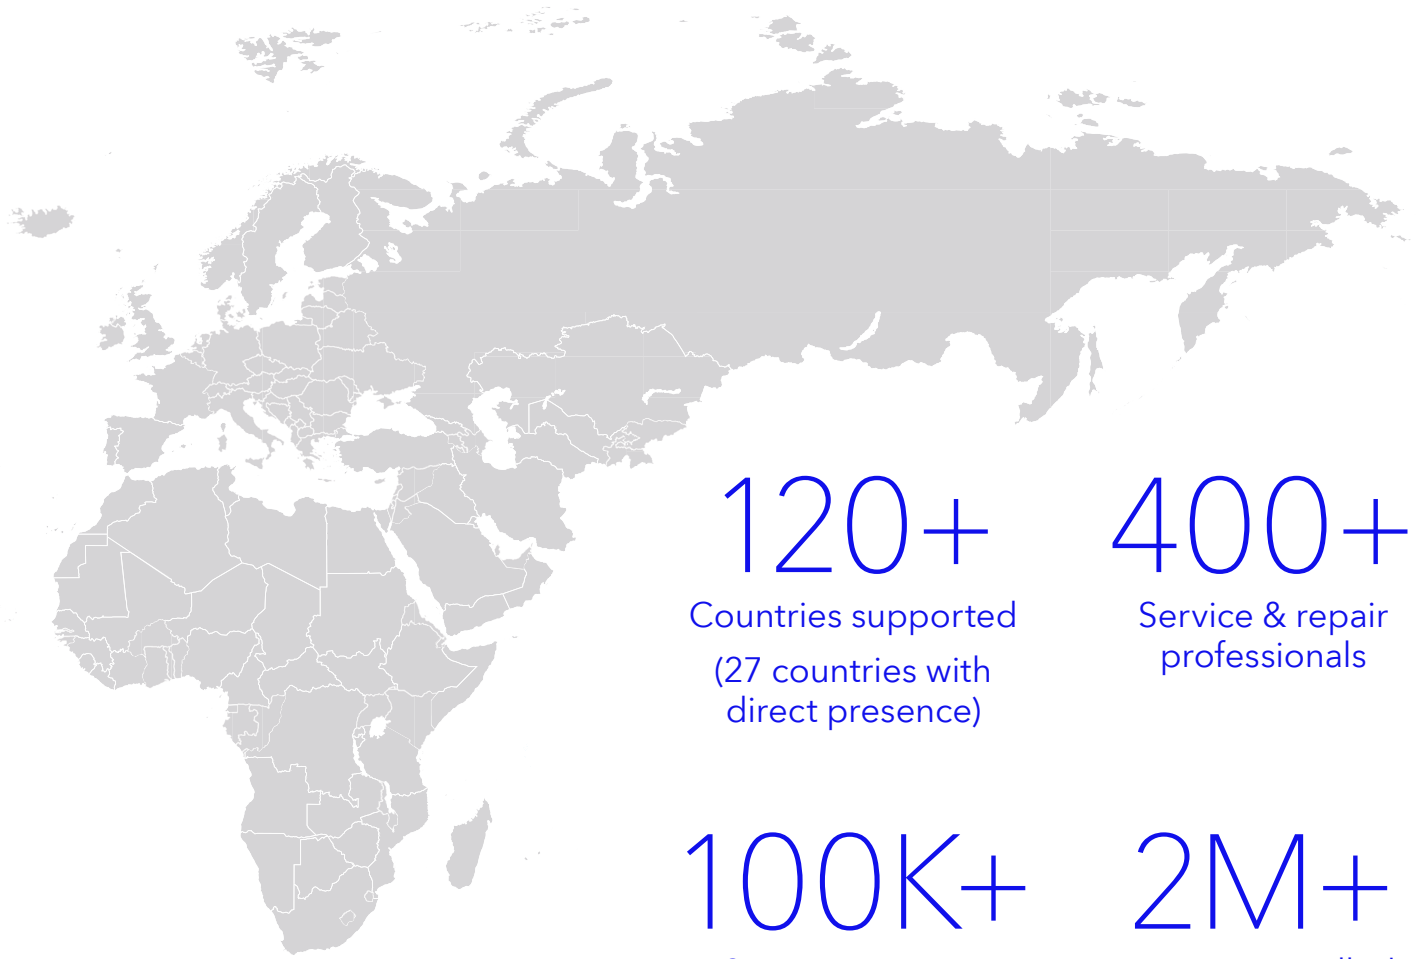

Medtronic is focused on helping you deliver optimized equipment performance, extended lifecycle investment and maximize uptime. Be the trusted partner of customers and their patients worldwide.
