Get ready

Your heart device is equipped with BlueSync™ technology – you can now benefit from the most innovative Medtronic patient monitoring.

Our solutions enable you to confidently and securely transfer your heart device information to your clinic as scheduled or requested by your doctor.

The BeConnected team is here to help you get setup with the best solution for you.

For when making the call, please prepare (if applicable)

- ✓ Your smartphone or tablet with at least 50% battery charge and Bluetooth® turned on
- ✓ Apple App Store® or Google Play® store ID and password
- ✓ An email address you regularly use
- ✓ Your heart device serial number

Place heart device serial
number sticker here
